Dear Magistrate Judge Brisbois:

I write to request leave to file a motion for sanctions to address litigation misconduct on the Government's part. In response to this litigation, the Department of Justice has placed me in administrative detention based on their disapproval of this litigation. It is not legitimate for litigants to falsely imprison one another, obstruct their mail, destroy each other's legal files, cut off their communications, threaten to unlawfully transport each other cross-country, violate each other's Constitutional rights and cut off attorney access. I have written to counsel for the Government in an effort to address this issue without Court intervention, but I am not optimistic.

Respectfully submitted,
